

ABOUT KASE:

Korean-American Student Empowerment (**KASE**) is an annual Christian conference for college students with a heart for God.

The vision of KASE is to cultivate, refine, and equip Christian college students in leadership serving God in the church and in society.

ABOUT KASE 2009:

For this year's conference we're going back to the heart of worship by reminding ourselves of our First Love. By looking at the unconditional love of God we will learn by example how to cultivate healthy and holy relationships—our relationship with God, with others, and with ourselves. We can find more of who we are by seeing more of who He is. We hope that during this conference you will reaffirm your identity in Christ while learning how to lead as His humble and joyful servants.

KASE 2009: LOVE UNLEASHED

The heart of a leader. The heart of God.
