

Congregations Stand for Healthy Children: Bringing Hope and Healing
The 2006 National Observance of Children's Sabbaths
Presbyterian Church (USA) Edition

This year for the first time, the Office of Child Advocacy and Presbyterian Women have partnered with Children's Defense Fund to produce a Presbyterian Children's Sabbath manual. Included is information about PC(USA) programs that address the needs and lift up the gifts of children everywhere.

 - Educational resources for all age levels
 - Extensive worship resources for Protestant, Catholic, Episcopal, Jewish, Muslim, Baha'i, Unitarian Universalist, and Buddhist communities of faith
