

# Sharing the Waters of Life

POLLUTION  
SCARCITY  
PRIVATIZATION  
WATERSHED DESTRUCTION

*How shall we address these  
and other threats to our fragile environment?*

**JUNE 9-12, 2005**

*Arrive June 8th for  
pre-conference field trips!*

Presbyterians for Restoring Creation  
4th National Eco-Justice Conference  
Silver Bay YMCA Center, Silver Bay, NY

## *Sharing the Waters of Life*

will gather people from the Northeast and throughout the U.S. to:

- Explore biblical and theological foundations for responsible human living in God's creation
- Learn of global water concerns in relationship to economic and ecological justice, particularly the challenges facing the Lake George, Adirondack, and Hudson River watersheds
- Share strategies, skills, and opportunities for on-going education and action
- Advocate as a gathered community for just public policies
- Celebrate the tenth anniversary of Presbyterians for Restoring Creation, as well as global accomplishments for environmental justice of the past decade, through music, dance, arts and worship.

**Join us for inspiring guest speakers, hands-on workshops,  
training, reflection, and action!**
