

## ***Follow the Ten Commandments To Prepare For Any Changes To U.S. Immigration Laws***

- 1. Stay away from “notarios” and other people who will try to scam and deceive you. Find trustworthy legal help.**
- 2. Learn to speak and write “simple English.”**
- 3. Translate your important documents into English (e.g., marriage & birth certificates)**
- 4. Learn about U.S. history and government.**
- 5. Save documents to show that you have been living in the United States.**
- 6. Obey all laws of the United States and maintain good moral character.**
- 7. Do NOT travel outside the U.S. for any reason.**
- 8. Stay informed about efforts to change the law. Find information at [www.pcusa.org/immigration](http://www.pcusa.org/immigration)**
- 9. Keep your children in school and encourage them to study hard.**
- 10. Begin to save money for immigration fees and costs.**

**As of today, there are no new immigration laws for undocumented persons. Presbyterians For Just Immigration hopes that there will be Comprehensive Immigration Reform that will benefit many immigrants who are presently undocumented or out-of-status. See the website below for ways you can help.**

***We encourage all immigrants to follow the Ten Commandments for immigrants who want legal status.***
