

THE BOYDS

**The Boyd family: Jeff and Christi
Matthias, Naomi and Salome**

Since our commissioning in 1990 we have served with our family as Presbyterian Church (USA) mission co-workers in different capacities and with several partners in East and Central Africa. While we hope that you have the occasion to hear personally about our work with Presbyterian partners, this flyer is meant to recapitulate our respective ministries, and to lay out opportunities for direct support.

Faithfully in Christ,

PARTNERSHIPS

Healthy relationships require time spent together – direct contact and personal communications. As the PCUSA Central Africa Liaison, Jeff sits with our Presbyterian partners in Cameroon, Equatorial Guinea, the Democratic Republic of Congo and Rwanda.

He visits project sites for particular consultations and ensures moments are spent together in celebration of our common faith. By listening to our partners' hopes, concerns and ministries he helps the PCUSA discern how to engage in a meaningful way with our sisters and brothers in these countries.

Jeff also provides support to mission personnel serving in the region and is a resource person for PCUSA presbyteries and congregations as they consider their mission engagement in Central Africa. An educator by profession, Jeff keeps a particular focus on the educational work of our regional partners.

COMPANIONSHIPS

Christi is the Joining Hands Companionship Facilitator in Cameroon. Joining Hand is a new initiative of the Presbyterian Church under the auspices of the Presbyterian Hunger Program.

Christi works with the JH partner network, RELUFA, an ecumenical network of Cameroonian non-profit organizations, grassroots groups and churches. She accompanies network members to some of the most isolated places and visits with people who struggle for the basic necessities of life. These closer walks often reveal connections between the comforts of Western societies and the difficulties faced by the poor in the South. JH provides a platform for these untold stories to be heard.

Christi facilitates companionships of solidarity between RELUFA and covenanting churches in Chicago and the Twin Cities Area as they discern strategic solutions to systemic problems in Cameroon. Their joint action includes the micro-finance program Credit Against Poverty and the Publish What You Pay Campaign for transparency in the Extractive Industries.
