“God sets the lonely in families (or the desolate in a homeland).” Ps. 68:6

Dear Friends,

After a hectic last few weeks turning over and saying good bye to our Ethiopian family, we are happy to be back in our homeland. We arrived in Kansas City to a great welcome from our family and we were especially excited to meet Sianna Faith for the first time. She will be leaving for Kenya with John and Joy, Acacia and Charlie on Aug. 4. There is a newer addition to the family, however. Melanie Lighter joined the family when she was wed to our son Charles on July 21. Beginning in August we will begin our home assignment and will be meeting many of you, our extended family of faith. Thank you for being part of the family.

13 Months of Sunshine: Ethiopia is advertised as the land of 13 months of sunshine. Ethiopia follows the Byzantine Calendar which means on September 11, she will be celebrating the year 2000 Millenium. Already preparations are being made with many new buildings changing the sky line. New roads are being built and

old roads are being torn up and resurfaced. Pray for Ethiopia as she prepares to celebrate this important day.

Home Assignment: Our itineration is as follows. Please note that there are still some open dates. To contact us, call our cell phone which we will carry with us or use our e-mail address both listed below.
