N O V E M B E R 2 0 0 8

## Why become a Mission Volunteer?

- Share your skills in ministries of service throughout the United States.
- Develop your gifts for service with both new and traditional partners of the church
- Opportunities include camps and conference centers, governing bodies, not-for-profit agencies, congregational life, child/adolescent care, health, refugee, older adult, higher education and social welfare ministries.

Mission Volunteers USA serve from a few weeks to a year or more. There is an ongoing application process for placements throughout the year. The sites provide room, board, access to accident/illness insurance and sometimes a small stipend. The volunteer may be asked to raise a portion of his or her support. The project also provides orientation and evaluation of the work assignment.
