The Honorable Dr. Condoleezza Rice
Secretary of State
U.S. Department of State
2201 C Street, N.W.
Washington, DC 20520

Dear Dr. Rice,

We write to commend your active support for current diplomatic efforts led by Egypt to turn what was for several days an informal, temporary and fragile cessation of hostilities between Palestinian forces in Gaza and the Israeli Defense Force into a formal, permanent and comprehensive ceasefire covering Israel, Gaza and the West Bank.

Violence over the last several months, including continuous Palestinian rocket attacks from Gaza against civilian areas in southern Israel, Israeli military attacks and closures in Gaza and the West Bank, and the attack on Yeshiva students in Jerusalem, have killed and wounded many persons, added to the suffering and fears of both peoples, and seriously jeopardized chances for the Administration's initiative to help Israelis and Palestinians achieve a negotiated peace agreement by the end of this year.

We believe an effective, comprehensive ceasefire is an essential first step among several that both sides must take to renew people's hopes that peace is possible. Achieving this will help restore positive momentum in peace negotiations between Prime Minister Olmert and President Abbas. The split in governance between Gaza and the West Bank is incompatible with a durable peace agreement. A comprehensive ceasefire would also provide a context in which the United States could support efforts, possibly led by Egypt and Saudi Arabia, to help form a new unified Palestinian government capable of representing the West Bank and Gaza, and committed to rejecting violence and negotiating a two-state solution with Israel.

We pledge our support for active, fair and firm U.S. leadership for Arab-Israeli-Palestinian peace. As may be appropriate and timely, we would welcome an opportunity to meet with you and the President to express visibly our support for a two-state solution to the conflict.

Respectfully,

(List of Religious Leaders endorsing the letter follows.)
