## HELP THEM FIND A PATH TO A SAFER FUTURE.

Each new day brings reports of increased suffering following Tropical Cyclone Nargis in Myanmar (Burma). Already we know that tens of thousands have died, hundreds of thousands are displaced, and much of the rice crop has been destroyed.

The primary focus of the PC(USA) and our partners will be restoration of the abundant life that God wills for all. Through consultation with ecumenical and regional partners, Presbyterian Disaster Assistance (PDA) is working to identify the greatest needs. These will surely include helping the massive numbers of displaced persons and addressing food shortages.

Our church's generous gifts will help us stand with our brothers and sisters as their broken lives and communities begin to heal.

Updates can be found on the PDA Web site at [www.pcusa.org/pda](http://www.pcusa.org/pda).
