Hurricanes in New Orleans and along the Gulf Coast flattened buildings. They flooded streets and snapped utility poles like matchsticks. But, there is a force that is even stronger than the devastating effects of wind and weather: God's boundless love. Join Presbyterian Disaster Assistance (PDA) in making that love felt to the thousands of victims of Hurricane Katrina in New Orleans and the Gulf Coast. Visit www.pcusa.org/pda to assist in PDA's ongoing relief efforts.

WHAT YOU CAN DO:

Eight PDAT members are currently working in Florida, Alabama, Mississippi, and Louisiana; eight additional PDAT members are on standby ready to go to any area where they are needed; and at least six PDAT members are committed to long-term recovery response.

We have already been alerted that several Presbyterian churches have sustained damage; therefore, PDA has activated designated giving accounts to help pastors who are struggling to help members of their congregations while also struggling with personal loss; and an account to help with damaged churches in the repairing or rebuilding their structures.

Please keep those impacted by this disaster and those working to assist the survivors in your prayers.

Give:

Those wishing to respond financially may do so by designating gifts for:

DR000169 - U.S. Hurricane Response (to help disaster survivors)

DR000161 - Pastoral Care (for assistance to pastors)

DR000163 - Church Property Damage

Gifts may be made online (www.pcusa.org/pda) by credit card, or checks may be sent directly to Presbyterian Church (U.S.A.), Individual Remittance Processing, PO Box 643700, Pittsburgh, PA 15264-3700.
