Kalau ada sumur diladang boleh kita menumpang mandi  
Kalau ada umur yang panjang boleh kita berjumpa lagi  
If there is wheel in the garden maybe we could wash up there  
If there is opportunity maybe we can see each other

Burung cendrawasih  
Parrot and bird of paradise

That's all for now

Halo teman-teman di Amerika  
Hello, friends in America,

Kalian jangan bersedih terus menerus  
Don't feel sad anymore  
Kami selalu berdo'a untuk  
kalian, dibalik cobaan ini  
pasti ada hikmahnya.  
We will always pray for you, there will be  
blessing in disguise  
Mari kita bangkit kembali negara kita.  
Let us rebuild our country  
Ibarat bunga yang sedang mekar  
menjadi layu  
which is now like an aged flower

Salam manis  
Warm regards  
Neni Nasita

Salam manis air tebu  
Salam rindu air mata  
Sweet regards as sweet as sugar  
Sad regards with tears

Buat temanku jauh di mata  
Dekat dihati kalian jangan  
Bersedih lagi  
For my friends far far away from me  
but close in my heart  
please don't be sad
