

In cooperation with the Ethiopian Evangelical Church Mekane Yesus, the Presbyterian Peacemaking Program, the Interfaith Relations Office, and the Presbyterian World Mission Africa Office invite you to travel and study in Ethiopia, November 5-15, 2008!

We will meet the people and learn about the ministries of this partner church, especially its work in peacemaking. We will explore the culture of Ethiopia, share a meal with PC(USA) mission personnel, and visit with those engaged in specific peacemaking projects in Addis Ababa and in Jimma (where the coffee bean was first cultivated and where coffee is still proudly produced!). Staff: Debby Vial (Presbyterian Peacemaking Program), Jay Rock (Interfaith Relations Office), and Michael Weller (PC(USA) Regional Liaison in the Horn of Africa).

Cost: \$1400, which includes all lodging and meals, but NOT airfare from your home to Ethiopia (estimated \$1600) or visa expense (est. \$100). For more information, please contact Debby Vial at 888-728-7228, ext 5702, or Bryan Reiff at bryan.reiff@pcusa.org.
