

***Considering making a mission donation through  
the Presbyterian Church (USA)? Here's how!***

So you've been inspired to make a mission donation! Wonderful!

The Presbyterian Church (U.S.A.) compiles an Extra Commitment Opportunity book each year. A copy is mailed to every congregation, but more copies are available from the Presbyterian Distribution Service by calling 800-524-2612 and ordering item number 68700-06-085 (for the 2007 volume, the code will be 68700-07-085).

Great care has been taken over many years to identify the projects that our partner churches themselves wish financial assistance with. ECOs are the preferred method of mission giving, as the process to identify and set up these opportunities is meticulous, methodical, and mutual. Please follow the steps outlined below:

Contributions to ECOs may be made online at [www.pcusa.org/give](http://www.pcusa.org/give)

Contributions from individuals may be sent to Presbyterian Church (USA) Individual Remittance Processing, PO Box 643700, Pittsburgh, PA 15264-3700.

Contributions from congregations may be sent through regular giving channels or to Presbyterian Church (USA) Church Remittance Processing, PO Box 643678, Pittsburgh, PA 15264-3678.

Be sure to write the ECO number and designation on the check and include the information in your cover letter.

It is always helpful to send notification to the Area Office or to the Peacemaking Program if you are sending a gift, so that it can be tracked and remitted correctly according to the wishes of the giver(s).
