

# Access Sunday Resource and Worship Materials AVAILABLE!

resbyterians for Disability Concerns (PDC), a network of the Presbyterian Health, Education and Welfare Association (PHEWA), announces the availability of resource and worship materials to help congregations celebrate the gifts of persons with disabilities. The material includes worship and music suggestions, information to help congregations remove barriers that keep persons with disabilities from fully entering into the life of a congregation, an annotated resource list, information about accessibility loans and a list of our disability consultants who are available to talk with you concerning your ministry with persons with disabilities.
