iBelieve

Witherspoon Press is the imprint of Congregational Ministries Publishing.

The iBelieve series of books from Witherspoon Press include 40 days of devotional reading for individual reflection and a five-session study guide for group discussion. *Alive to God in Jesus Christ*, the moderator's recommended church-wide Bible study for Lent, is the latest title in the series.

The *Great Ends of the Church* series from Witherspoon Press, including the latest book in the series, *Exhibition of the Kingdom of Heaven to the World*, is one possibility for dynamic Christian education for adults.

Another series of permanent topics in short-term study courses is the *Real Faith, Real Life* series.
