– = No data reported.

¹ Data collected from congregations' reports on the Session Annual Statistical Report; all figures under individual contributions and disbursements to local program and local mission based only on reporting congregations and their members.

² Individual contributions are all monies received, such as payments on pledges, loose offerings, special offerings, and other gifts to the church from living donors (except capital fund contributions).

³ Total receipts includes individual contributions, donations to capital and building funds, bequests, investment income, and other income.

⁴ Corrected figures. Those in the 2006 edition of Comparative Statistics were incorrect.

– = No data reported.

¹ Data collected from congregations' reports on the Session Annual Statistical Report; all figures under individual contributions and disbursements to local program and local mission based only on reporting congregations and their members.

² Individual contributions are all monies received, such as payments on pledges, loose offerings, special offerings, and other gifts to the church from living donors (except capital fund contributions).

³ Total receipts includes individual contributions, donations to capital and building funds, bequests, investment income, and other income.

⁴ Corrected figures. Those in the 2006 edition of Comparative Statistics were incorrect.

– = No data reported.

¹ Data collected from congregations' reports on the Session Annual Statistical Report; all figures under individual contributions and disbursements to local program and local mission based only on reporting congregations and their members.

² Individual contributions are all monies received, such as payments on pledges, loose offerings, special offerings, and other gifts to the church from living donors (except capital fund contributions).

³ Total receipts includes individual contributions, donations to capital and building funds, bequests, investment income, and other income.

⁴ Corrected figures. Those in the 2006 edition of Comparative Statistics were incorrect.
