

Connect with the Presbyterian Hunger Program

- **Cents-Ability:** Cents-Ability is a small first step in the battle against hunger and poverty. Congregations invite every member — of all ages — to contribute a few cents at every meal. This money goes to benefit local hunger ministries as well as the national and international projects of the Presbyterian Hunger Program. (PHP). PHP has developed a series of Cents-Ability resources to help presbyteries and congregations begin and expand hunger education and fund-raising programs. These include posters, banks, placemats, prayer table tents and a notebook full of suggestions and program models. Order resources online at www.pcusa.org/centsability.

- **Webinars:** Join PHP staff, Food Justice Fellows, and outside presenters for these monthly webinars that happen on the second Monday of every month at noon (Eastern); 11 am (Central); 10 am (Mountain); 9 am (Pacific). Please visit www.pcusa.org/phpwebinars to register for upcoming webinars and to see previous presentations.

- **Educational Materials:** Learning about hunger and our response to it begins with the Bible. PHP provides resources for studying scriptures, educates the church about hunger and environmental related issues, and shares stories from programs supported by PHP grants. Through these efforts, PHP nurtures the connections between Presbyterians and God's people around the world. *Just Eating, Garden Safe - Garden Well, Food Sovereignty for All Handbook, and The PHP Bible Study* are just a few examples of available materials. These and more are available online at www.pcusa.org or www.pcusa.org/food.

- **Eco-Palms:** More than 300 million palm fronds are harvested each year for U.S. consumption alone — most of them for Palm Sunday. Your congregation's commitment to purchase eco-palms plays an important role in protecting forests, local jobs, and sustainable livelihoods in the harvesting communities. Learn more about ordering Eco-Palms for your use in your congregation at www.pcusa.org/ecopalms.

- **Reflection/Action Trips:** The Presbyterian Hunger Program is promoting experiential trips which analyze the root causes of hunger and poverty while calling participants to engage in solidarity actions with our local and global partners. Visit www.pcusa.org/trips to learn more.

- **Sweat Free T-Shirts:** Presbyterians buy a lot of T-shirts. Unfortunately, almost all of the apparel available in stores was produced in sweatshops. The good news is that sweatshop-free shirts are available from PHP. Whether you're creating shirts for your youth group, upcoming mission trip, presbytery summer camp, or special event, put your faith in practice by choosing Sweat-Free T's! Learn more at www.pcusa.org/sweatfree.

- **EarthCare Congregations:** To become certified as Earth Care Congregations churches take the "Earth Care Pledge" and complete activities and projects in the fields of worship, education, facilities and outreach. More information about the program and the application process are available online at www.pcusa.org/earthcarecongregations.

- **Campaign for Fair Food:** Through PHP's Campaign for Fair Food (CFF), the Presbyterian Church (U.S.A.) encourages consumers and farmworkers to urge food corporations to end conditions of poverty and exploitation in the Florida tomato fields by joining the Coalition of Immokalee Workers' Fair Food Program. To send postcards supporting the work of CIW and to learn more about the CFF, please visit www.pcusa.org/fairfood.

- **Trade Campaign:** Through its international program, Joining Hands, PHP is working on a campaign to ensure trade reform in the US. The campaign's focus is to institute transparency as a norm in agreements, among them the Trans-Pacific Partnership Agreement (TPP), the largest free trade agreement negotiated by the United States to date. Negotiations around the TPP are scheduled to conclude this fall. To join other Presbyterians fighting for trade reform visit www.pcusa.org/trade.

- **SNAP/Food Stamp Challenge:** On November 17-23, 2013 the PC(USA)'s denominational leaders engaged in the SNAP/Food Stamp Challenge, which is designed to draw attention to the gross injustice of poverty and hunger the U.S. and to open new opportunities for understanding, compassion and solidarity. Learn more about doing your own Challenge at www.pcusa.org/snapchallenge.
