

2012 Superstorm Sandy

God is our refuge and strength, a very present help in trouble. —Psalm 46:1

Hurricane Sandy left a trail of destruction in the Caribbean and the northeastern United States. There is significant damage from the superstorm's winds and flooding. At least 8 million people in 17 states lost power.

The road to recovery has just begun. Presbyterian Disaster Assistance (PDA) is committed to walk with our partners through the immediate-relief and long-term-recovery phases of the response. One Great Hour of Sharing funds have been sent, and members of the National Response Team have already been deployed to help mid councils in their response efforts.

The needs are great. Please stand in the GAP and help bring hope to affected families and communities.

GIVE: Millions of our neighbors face tremendous challenges. Share your financial blessings to make a difference as they struggle to recover. [You can give \\$10 now by texting PDA to 20222.](#)

ACT: Assemble Gift of the Heart kits. More than 18,000 have been sent; more will be needed in this response and to ensure kits are available for future disasters. Find instructions at www.pcusa.org/pda. Form a volunteer work team to help clean up and rebuild. Contact the PDA Call Center at 866-732-6121 to indicate your team's interest, skills, and availability.

PRAY: Pray for all who were affected by the storm and face challenges in its aftermath. Pray that the hope of Christ will be evident in our response.
