

# I vote to stop the FTAA.

TO: Trade Ministers of the Western Hemisphere and our elected officials

I vote **NO** on the **Free Trade Area of the Americas (FTAA)**. The Presbyterian Church (U.S.A.) opposes the FTAA in its current form and I believe it is the wrong choice for jobs, workers' rights, the environment and democracy. Please support just trade that benefits working people, protects the environment, and protects national sovereignty and democracy.
