

FOR ALL THINGS, A SEASON

Tune: Kremser, "We Gather Together"

Lyrics: Leigh B Gillis, 9/2005

For all things, a season,
The Lord has established.
A rhythm to life,
Of sights, colors and sounds.
From advent's beginning
Through days of earth's spinning
We worship and proclaim
That God's mercy abounds.

The stillness of meadows
With sheep gently grazing,
Low sounds of the manger,
A baby's first cry,
Palm-bearing crowds cheering,
Then angry ones jeering
Our Savior to the cross,
Raised against a dark sky.

Green, purple, and crimson,
White, pure and spotless -
These colors we raise as
Symbols of God's time.
In glad adoration,
With praise for salvation,
We thank you for seasons
In your plan sublime.
