PRESBYTERIAN
GIVING CATALOG

Small Gifts. Big Impact.

Grace and Gratitude: As Presbyterians, we are a people rooted in the grace of Jesus Christ. It is our gratitude for God's grace that moves us to join in God's mission in the world, with ministries of love and justice, reconciliation and peace.

Generous gifts to the *Presbyterian Giving Catalog* are signs of our gratitude: feeding the hungry, comforting the brokenhearted and sharing our faith with young and old. By joining our gifts together, however large or small, we expand our witness to God's gracious and abundant work in the world.

"My name is Mary Nyalad Gai, aged 32 years and a mother of six, currently [a] resident of Rebjiech [Internally Displaced Persons] camp where [we are] surviving on humanitarian assistance.

I'm now very happy because I was able to understand how to go about preparing the land, planting, weeding and taking care of the crops. Once I harvest and sell the produce, I will [be able to] enroll my children in school and feed them.

Thank you for [the] good work being done for us here in Leer."

— Mary Nyalad Gai, *Program Participant*

Deep Rock Well

ITEM OG30016

Preserving Heritage, Cultivating Community: The Gullah Farmers' Cooperative Association

In South Carolina's Lowcountry, the Gullah Farmers' Cooperative Association, founded in 2010 by a group of determined Black farmers, strives to secure fair markets and preserve their agricultural heritage. The Gullah, descendants of enslaved Africans, have maintained a distinctive culture in isolated coastal areas. Despite challenges in poverty-stricken regions like Jasper, Hampton and Allendale counties, the cooperative has grown to 13 members, blending original founders and new farmers.

Operating a processing facility, they face staffing needs for securing buyers, assisting farmers and exploring funding. Supported by Self-Development of People and the Presbyterian Giving Catalog, their goals include boosting annual revenue, generating sustainable employment and establishing a food hub for local produce.

The cooperative symbolizes resilience and hope, securing funding to preserve their agricultural legacy and build a sustainable future for generations to come. Through their unwavering dedication and hard work, they are demonstrating when a community unites, they can overcome any obstacles and achieve lasting impact.

Community Garden ITEM OG20016 \$200

More than 23 million Americans live in food deserts, typically low-income neighborhoods where fresh, affordable food is nearly impossible to find. With few healthy food choices, residents in these areas often experience lasting health effects, like higher rates of diabetes. Community gardens supply nutritious produce where it's most needed, while providing employment and educational opportunities that nurture communities.
