This course is the second part of the transitional ministry education sequence and is tailored for those who want to go deeper, and who may already be serving in a temporary position.

Prerequisites:
Completion of Week 1, ordinarily between six months and six years prior (or by prior approval of the faculty team leader) and the completion of assignments provided upon registration.

This course is for individuals who are considering ministry in temporary settings (as an interim, transitional or designated pastor) or are experiencing ministry in these transitional times.

Materials presented will include the basics of transitional ministry and will be of value to all congregational pastors regardless of ministry setting.
